DEDICATION

Though our high school days
have come to an end,
we shall always remember
the faces, the fun, and the tears
these days have held.

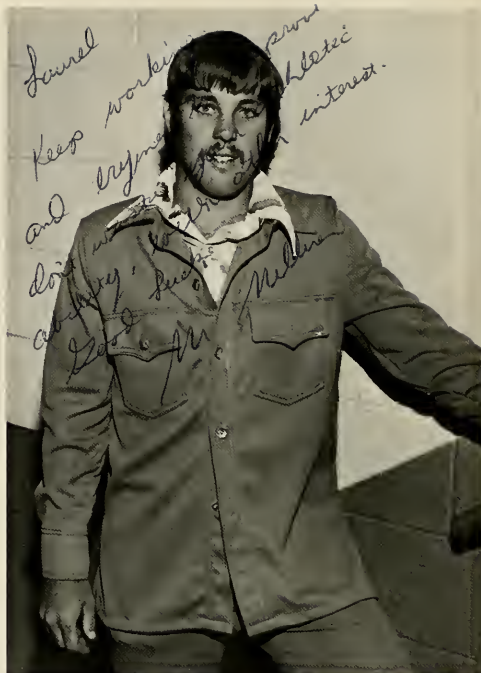

And we shall remember the two men
who have devoted so much
of their time and energy
in helping and guiding us
these past years.

We have worked together,
laughed together, and learned together.

We have reached our goals together.
Thank you Mr. Lau and Mr. Milliren
for being so much a part of
our hopes, dreams, and achievements.

We are proud to dedicate our "Seasons" yearbook to you and hope that this can express our appreciation for all you have done for us.

YOU'VE GOT A FRIEND

When you're down and troubled
And you need some loving care
And nothing, nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night.
You just call out my name
And you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there
You've got a friend.
If the sky above you
Grows dark and full of clouds
And that old north wind begins to blow
Keep your head together
And call my name out loud
Soon you'll hear me knocking at your door
You just call out my name
And you know wherever I am
I'll come running to see you
Winter, spring, summer, or fall
All you have to do is call
And I'll be there
Ain't it good to know that you've got a friend
When people can be so cold
They'll hurt you and desert you
And take your soul if you let them
Oh, but don't you let them
You just call out my name
And you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there
You've got a friend.

GIRLS TRAVEL TO SECTIONALS

The 1976 Girl's Softball season was very successful. With twelve returning players and four new players, the squad presented a great deal of experience and depth on both offense and defense.

The team landed in second place with the only defeat in conference play to Elmwood. Plum City won their sub-regionals and went on to sectionals at Black River Falls. There, Plum City was defeated by Black River Falls.

FINEST

SEASON

The Plum City Blue Devil baseball team had its finest season in years. The Blue Devils compiled a 7-8 overall record and a 5-4 conference record which placed them third in the conference.

The Blue Devils were led by the pitching of Gordy Luebker 6-5. Ed Herbison was granted the honor of being named to the coach's all conference team as an outfielder.

Throughout the season the Blue Devils gained the much needed experience at many positions and now have the potential of developing into a fine team.

Leaves are falling down now
Colored and beautiful
Some brittle to the touch.
The school year is young
Still getting used to classes,
New faces, new ideas.
The football season is underway
Brisk, clear nights,
School spirits alive.
Volleyball has too, begun
Working as a team,
Striving for the championship.
As Halloween approaches, we are caught in its mood.
Thoughts of mischievous pranks and deeds,
Of the costume dance and the fun that night.
In the news
Are the Carter/Ford debates,
Campaigns and strategies -- Who will win?
Blue jeans and T-shirts are popular style,
With Earth shoes and Adidas too,
More comfortable for all.
The new fall T.V. programs are now on the air
Mary Hartman, The Fonz, Bionic Woman . . .
Watching these instead of doing homework.
The leaves are still falling -- they will for a while.
In time we will look back
And treasure these as autumn memories.

FALL

SCHOOL BOARD

With the coming of the fall season and the new school year, we find the school board well prepared to carry out its activities. They had been working all summer to negotiate contracts, make new school policies and find the financial means to support these policies. Our school board is always willing to hear and discuss any problems we may have with an open mind and offer their help in finding solutions whenever possible.

FALL BRINGS NEW FRESHMAN

The class of "80" began their Freshman Year by organizing their homecoming skit, participating in dances, and picking a homecoming attendant.

The Freshmen have had no trouble adjusting to high school life. They have been busy thinking up new ways to raise money for their class, participating in the different organizations, and just having fun.

Chosen to lead this class through their first year at P. C. H. S. were President-Mark Klein, Vice-President-Lonnie Larson, Secretary-Michelle Weiss, and Treasurer-Robin Klinski.

This year's Sophomores chose Brenda Ingli as their President, Eloise Eccles as their Vice-President, Kris Glaus as their treasurer and JoAnn Hague as their secretary.

One of the first money-making projects the Sophomores undertook was a successful tootsie roll sale. Everyone enjoyed the sale, and the Sophomores made a considerable profit.

Next the class planned a Sadie Hawkins Dance, featuring the music of the Soul Pipers.

The Sophomores have had many new experiences this year, such as learning to drive, learning to type and, more importantly, learning about themselves.

JUNIORS SELL BLUE DEVIL SWEATERS

The Juniors began their year by contributing to the festivities of Homecoming and selecting Jody Hanson as their attendant and Mark Larson as her escort.

The class wrapped up their Blue Devil Sweater Sale and ended up with a profit of \$300. The Juniors also sponsored a candy sale and a Christmas record hop.

One of the big projects of the year was the selection of class rings. A vote was taken to determine which style the class would chose, and the Juniors received their rings, December 8.

Leaders of the class of "78" this year were President-Betsy Martin, Vice-President-Jeff Ebensperger, Secretary-Chris Zimmer, and Treasurer-Adele Helmueller.

"GOLDEN DREAMS OF YESTERDAY"

Homecoming week started on Monday, September 20. Highlighting Homecoming week were Double-Triple Day and Student-Teacher Switch Day. The annual skit and bonfire festivities were held on Thursday night following the afternoon Powder Puff football game. Homecoming came to a close with the Friday night football game against the Colfax Vikings. Although the game was lost, spirit still ran high at the dance that followed. Music for the dance was furnished by "Punk".

A FUTURE FOR A BETTER AMERICA

The primary aim of the Future Farmers of America is the development of Agricultural leadership, cooperation, and citizenship.

The fall begins the many activities undertaken by the FFA. The tractor pull is among the first. Following are a few of the FFA projects: county fair exhibits, a softball team, a basketball team, cancer drive, maintenance of the school forest, selling fruit, sponsoring a school dance, and a tractor safety and operating contestant.

Plum City's representative to the National FFA convention this year was Dennis Haglund. The convention was held in Kansas City, Kansas. The State Farmer Degree holder, Larry Spindler, will attend the State Convention at Green Lake, Wisconsin, in June.

HOLIDAY NEWSPAPER

The Newspaper Staff coordinates the release of their newspaper with holidays. The first newspaper coincided with the first school holiday, Homecoming.

The staff is busy throughout the year interviewing coaches, selecting material, writing articles, typing, and proofreading. It seems they must also be busy with their ears open for any new gossip. The newspaper also has a puzzle so each student may test his skills.

COMET STAFF

The Annual Staff has been busy again this year, especially around deadline time. Several late night hours were put in on the yearbook. The staff must be on their toes doing layouts, cropping pictures, writing copy, and selling advertising. The Annual Staff sold close to \$900 worth of advertising this year. It is a definite help in financing the book.

HOPE

Look to this (winter) day!
For it is life,
the very life of life.
In its brief course
lies all the varieties and
realities of your existence:
The bliss of growth;
The glory of action;
The splendor of beauty;
For yesterday
is already a dream,
and tomorrow
is only a vision;
But today, well lived,
makes every yesterday
a dream of happiness,
and every tomorrow
a vision of hope.

WINTER

PLUM CITY OFFERS TOUGH COMPETITION.

The Blue Devil basketball team started off a successful season with a 79-54 victory over St. Croix Central. The Blue Devils are coached by Mr. David Colburn, who works to develop a concept of team work, and to teach that anything worth having must be sacrificed for. The team was told to do the best they could at all times, and if they did their best, to be proud, whether they win or lose.

Mr. Colburn would like to offer a special note of thanks to Wendell Herbison who has provided an excellent example of determination and sacrifice.

STUDENT'S VOICE IN SCHOOL

The Student Council has again successfully represented the student body's thoughts and ideas this past year. A "Gripe" box, located in the library, was put into use at the start of the new school year to suggest new changes that might improve the school. The Student Council also sponsored a costume Halloween Dance, and it provided the school with a Christmas movie and refreshments which were served afterwards.

Spring

Now that the winter's gone, the earth hath lost
 Her snow-white robes; and now no more the frost
 Candles the grass, or casts an icy cream
 Upon the silver lake or crystal steam:
 But the warm sun thaws the benumbed earth,
 And makes it tender; gives a sacred birth
 To the dead swallows, wakes in hollow tree
 The drowsy cuckoo and the humble-bee.
 Now do a choir of chirping minstrels bring,
 In triumph to the world, the youthful spring:
 The valleys, hills, and woods in rich array
 Welcome the coming of the longed-for May.

NEW ACTIVITY AT PLUM CITY

The Forensics program is a new addition to the Plum City curriculum. Seventeen students chose to take part in the new activity. The catagories chosen were: Story-telling, Four-Minute Speaking, Original Oratory, Ex-temporaneous Speaking, Prose Reading, Poetry Reading, and Declamation.

CLASS OF 1977

Remember when...in 1972, they entered the halls at PCHS as naive Freshmen. Their Freshman year was highlighted by initiation.

As sophomores they gave a card party. Later in their sophomore year many received their driver's licenses.

Their Junior year held many surprises and successes. Winter Carnival was a big success with the theme "A Winter's Dream". They ordered the traditional class ring.

Finally, their Senior year came with much in store for them. The Senior girls won the Powder Puff football game for the second time. They are preparing for the highlight of their High school years -- the Senior Class Trip.

Their grand finale will come on Sunday, May 22, 1977, when the class will conclude their years at PCHS moving on to "bigger and better things."

Membership in the group is based upon excellence in four areas: scholarship, leadership, service, and character. Even after students become members of the Honor Society, they are reviewed periodically by the faculty and must maintain the high standards of the Society.

It was not a perfect year.
But has there ever been a perfect year?
Has there ever been a year
When all the love and health and fame
We wished one another
Ever came to pass?
Yes, despite the disappointments
Of these our complex lives,
We learn to make do
make better
make believe
That better days will come,
And if we do believe
Who is to say
The perfect year
Will not yet be here?

J. Kinsey

Big Red, Scab, Laurel, and Hardy,

throughout this letter I am going to pay you
back for what you wrote in mine. What happened
that night I had to leave early and the last
time I saw you, you were in a black car with
red suede seats. Does that refresh your memory?

I'm not done yet!!! What about that night
in the van you didn't think I was all there,
but I heard and saw everything. (and I
mean everything). Have you gone to any PFA
dances lately or can't you remember? You stay

out of Dams apartment cause all you do is get into
trouble anyway. Then I get blamed or have to get
you out of trouble. Has Chris Bost called you
lately if he calls tonight send him my regards.

Joe Plummer been talking about you lately, you
little devil I didn't know you had it in you.

What about that night with you know who
Boy I would of loved to be there. Maybe next
time or has there already been one. Remember the night

we went up to the Dam and had a rock fight, where
did you disappear to all of a sudden I couldn't
find you for about an hour. I thought you two made
such a sweet pair. So bad it didn't stay that way!
And what about ---- and --- and ----- and

----- I could go on all day but I don't want
to get into your personal life. Oh yea I forgot one

I don't have to say I'll see you around) --- you devil you keep it up
cause I know I will Peggy 80

Big Red,

Didn't really want to write in your annual, but figured I was forced to do so. It's been nice knowing you over the years, I'll have to admit. We might have had a few quarrels at times, but then you need one now and then just to let people know we're alive. I've still haven't stayed over night down there yet. Guess I'll have to pretty quick seeing how you hung my name up in your room for me. Always remember our fun times together, not only in high school, but last year too. Remember when Michelle got the award last year? Boy, we had fun giving it to S.M.

After everything I see Peggy wrote, it looks like you've been leading a busy life. I'll have to have a talk with you and let you in on the facts of life. (On second thought I think you already know them. I just can't seem to keep up with you.) Sometime we're going to have to tip a few. I'll never forget the time by the creek when some dumb jerk spilled some ~~junk~~^{???} on your new shoes. Who could that have been? Well anyway, this summer me and Peg are going to ride bike down there and bring you up town. We're going to have to liven' up the town. After all, we are another Meg, Becky & Nancy. We better live up to our image. See ya around, kiddo!

As ever,
